

GYMNASTICS EAST

Policies & Procedures

Welcome to Gymnastics East! In order to serve you and your child in the best possible way, we ask that everyone observe and follow these policies and procedures.

Payments

1. **Tuition is due the 1st of every month** and will remain the same each month regardless of holidays or closures. **Tuition is past due after the 7th of each month** and a \$5.00 late fee will be applied. Tuition is non refundable. If tuition has not been paid by the 3rd class of the month, the child will be unenrolled and will lose their spot in that class.
2. Additional registrations will be given a 10% discount off of the least expensive class. This does not apply to any team members.
3. Our school year session runs consecutively from August 30th thru June 18th, 2011. You are automatically enrolled and responsible for payment through June 2011 unless a two week written withdrawal is submitted to the office. You must register separately for summer sessions (July and/or August).

Membership

1. There is an annual membership fee of \$35 per child and \$50 per family.
2. Membership benefits include: Birthday party discount (\$15/\$20 savings); 30% off a leotard during the month of your birthday; 10% discount on sibling tuition; Discounted rate for H.S. punch card.

Make up classes

Sign up in advance at the front desk, no drop-ins please. Open gym will be offered for preschoolers one week day per month at both locations. Please see the office for details.
2. Missed classes must be made up within the current month and/or the month following the absence, provided you are currently enrolled and have paid in full for that session.
3. We do not prorate or refund for missed classes.

1. Children may not be dropped off earlier than ten minutes before their scheduled class nor picked up later than ten minutes after the class has ended. Parents of kindergarten aged children and younger must remain in the building during class.
2. Children who are not participating may not be left at the gym without parental supervision.

Observation

1. No parents or siblings allowed in any gymnastics area.
2. Observers are welcome at any time. Preschool parents please use good judgment. If your child is being distracted by your presence, it might be best not to watch the class. You must remain in the building.
3. Please remain quietly in the designated viewing areas while observing. Keep other siblings with you. Please do not loiter on the stairs.
4. Please do not talk to your child while he/she is in class.
5. We encourage parent/teacher communication. Feel free to talk with your child's teacher after class or leave your number with the office so an appointment can be arranged.
6. Absolutely no sitting or climbing on viewing area barriers.

Advancement

1. Every student should feel challenged. Students are moved up when they have mastered the skills at their level. Move up skill requirements for each level are posted on the bulletin board. All students must be tested and approved by a senior instructor before moving to the next level. When your child is ready, his/her instructor will recommend arranging a test. Please feel free to discuss your child's progress with his/her instructor.
