

Boys Fitness Show

**Saturday, June 8th
3:30pm at the Bellevue gym**

For all boys classes and levels, this show is a great finale to our school year and a fun way to celebrate the skills our students have learned.

The Show is a 1½ hour performance and is a great opportunity for our gymnasts to perform routines in front of an audience to show skills learned through the year.

There will be demonstrations to inspire you from our male coaches and an awards ceremony where each boy will receive a T-shirt and a medal for his efforts.
