

Flying Ninjas

For boys 1st-5th Grade

Flying Ninjas 1: 45 minute classes teaching on-axis rolling, jumping, climbing and moving efficiently—\$189.00
Flying Ninjas 2: 1 hour classes teaching on-axis and off-axis flipping, spinning and movement on a larger scale—\$225.00

Through the medium of ever-changing obstacles and challenges these classes are designed to develop critical thinking, improve strength, coordination and air sense.

Your child will build self confidence as he learns to accept and master each challenge presented.

All students must progress through Flying Ninja 1 to advance to the next level.
