Progress Certificates

Every 8 weeks we will be handing out certificates to each child so you can see their progress. The skills checked are often parts of a skill broken down like the pieces of a puzzle.

Your child will look forward to this award and will expect your excited response.

Tiny Tot classes have a monthly theme which is reflected in the lesson plan.

This month is **Trip to the Zoo!**

*Raise a child's self esteem and she/he will achieve!
Fun first + achievable expectations +
praise & encouragement.*

Advancement

Our gymnastics program is skill based. **All skills** must be mastered at each level for a student to move to the next. The list of move up requirements is on our website (www.gymeast.com) and in the gym lobby.

A skill evaluation with a senior instructor is required to move to the next level. If you think your child is ready to test to the next level, please consult his/her coach. A coach recommendation is required to schedule a skill evaluation at the office.
